**Council Bluffs, Iowa**

**May 30-31, 2015**

Michelle Persian has become a familiar face on the podium at AKC and USDAA regional and national events. Her Border Collie MACH3 Bria's accomplishments include: 2009 AKC Nationals 16" Finalist, 2010 AKC Nationals Third Place Hybrid and Third Place Challengers Round, 2011 Cynosports First Place Team Gamblers and Third Place Jumpers, 2012 North Central Regional Performance Speed Jumping Champion, 2012 and 2013 Performance Grand Prix Semifinalist, 2014 North Central Regional 18" Steeplechase and Biathlon Champion, 2014 North Central Regional 18" Steeplechase Champion and 2014 Cynosports 18" Steeplechase Semifinalist and 3rd Place 18" Grand Prix Finals. Michelle's English Springer Spaniel MACH4 Noodle was also no stranger to the winner's circle.

This seminar is a "nuts and bolts" seminar aimed at the younger dog, or those dogs who need to back up and concentrate on some foundation work. Subjects covered will include front cross, rear cross, blind cross, the use of motion, proofing weave poles, forward and lateral sends, basic sequence patterns (180, 270, pinwheel, etc), making 2 on/2 off contacts fun, progressing from one jump work to a full course and more!

In order to participate, dogs must have a stay at the start line, be comfortable with all of the obstacles, and be able to sequence.

Cost is \$250 for two days. Auditing for both days is available for \$100, or \$60 for one day. Depending on the weather forecast, the seminar will be held from very early in the AM until we finish, in order to beat the heat. If you have any questions, contact Gerianne at (712) 526-2252 or e-mail [GerianneDarnell@aol.com](mailto:GerianneDarnell@aol.com). A light lunch will be provided.
