2. **Class Eligibility: Novice A Classes** are open to dogs that have not completed any title for that particular element, that have not completed a comparable title with another organization, and whose handlers are neither Scent Work judges, nor have ever worked as professional detection dog handlers.
Novice B Classes are open to all dogs.
Advanced Classes are open to dogs that have achieved the Novice title for that particular element.
Excellent Classes are open to dogs that have achieved the Advanced title for that particular element.
Master Classes are open to dogs that have achieved the Excellent title for that particular element.
3. **Container Classes will be held indoors on a matted floor. Master and other Interior searches may take place in various buildings at the trial site with a variety of floor surfaces including packed dirt or concrete. Buried Classes may be outside on grass or inside the agility building on a hard-packed dirt floor. Exterior Classes may include steps within the search area; or uneven surfaces or steps to reach a search area. All Exterior Classes will be held outdoors rain or shine unless dangerous conditions are present (such as lightning). Comfortable footwear and water-resistant clothing are recommended. Exhibitors may need an extra pair of shoes for showing outdoors or on dirt. Please check the weather forecast before coming to the event.**
4. The Detective Class offers an integrated search environment with an unknown number of hides in a variety of elements. The intent of the Detective Class is to emulate as closely as possible the work of a true detection dog. While the exact search areas for these trials are subject to change the planned search areas at Sunshine Obedience School, may include a kitchen, outdoor seating/patio area, walkway, basement, and backyard. Detective exhibitors will be directed where to park to alleviate line-of-site issues.
5. Dogs that have previously earned the same or higher level AKC Scent Work titles may enter lower level classes.
6. Dogs are eligible to enter up to two difficulty levels in each element, in each trial. Dogs may only enter a class once in each event. A class is defined as a particular difficulty level within a particular element.
7. Handlers may not handle more than one dog in each class (with the exception of Handler Discrimination classes). Multiple dogs from the same owner may be entered in the same class, provided they are run by different handlers.
8. Bellevue Dog Obedience Club will send its own specific guidelines for this event when we send the judging program after the event closes.

- **EXHIBITOR AND GENERAL INFORMATION**

1. All events are held under the revised Rules and Regulations of the American Kennel Club, Inc. effective on October 1, 2019. By entering these trials, exhibitors acknowledge that they are familiar with the rules and regulations of the event in which they have entered. Here is the link to the [AKC Scent Work Rules](#).
2. BDOC, its agents; AKC, its agents and its employees; assume no responsibility for any loss, damage, ILLNESS, or injury sustained by spectators or by exhibitors and handlers, or to any of their dogs or property, and further assume no responsibility for injury to children not under the control of their parents or guardians. AKC and BDOC are not responsible for any loss, accidents, or theft.
3. The owner or designated handler of each dog is solely responsible for having it ready at ringside when its class is to be judged. The host organization, event committee, and Show Secretary have no obligation or responsibility for providing service through a public address system, or stewards or runners for the purpose of locating dogs that are not brought into the ring when required.
4. Dogs may arrive any time prior to their scheduled time of judging. Dogs not required for further judging may leave the trial site.
5. No unentered dogs allowed on the event grounds. Note: no dogs less than 8 weeks of age may be present on the grounds of an AKC licensed event.
6. Dogs are not to be left unattended when crated in soft mesh crates. No dog may be left in an unlatched or un-zipped crate.
7. Except when being crated or exhibited, dogs must be kept on leash.
8. Exhibitors and dog owners are expected and required to clean up after their own dogs. Please potty your dog on the SOUTH side of the driveway and use the provided receptacles for disposal. Any person witnessing a violation of this rule must report it to the Event Committee. The Event Committee may ask any person violating this rule to leave the event grounds. No refund will be made if an exhibitor is asked to leave the grounds.
9. Absolutely no alcoholic beverages or illegal drugs will be allowed on the grounds or in the buildings on the day of an AKC licensed event.
10. It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Event Committee, be asked to leave the show site. In that case, no refund of any fees paid will be made. BDOC cannot make special accommodations for certain dogs, such as dogs determined by their owners to be "reactive." AKC will vigorously support any facility that files a complaint about exhibitors who fail to keep their dogs quiet or to clean up after them. In order that the bad conduct of a few exhibitors does not spoil it for the majority of responsible exhibitors, AKC will take strong disciplinary action against any offenders.
11. Females in season will not be allowed to compete. A refund minus \$5 processing fee will be given if your female is withdrawn no later than one-half hour prior to the start of the first class of the trial.

12. **Trial Site:** It is not appropriate to scout the trial location prior to the trial date. Many search locations are real-life environments and such visits may risk the host losing the opportunity to use the location in the future.
13. **Possession of Odors and Training.** No person other than those engaged in the administration of the trial shall be in possession of any of the target odors when on the trial grounds. There shall be no training on the grounds of the AKC Scent Work trial, other than in the designated warm-up area.
14. **Spectator Area:** Spectators will be allowed for the outdoor elements for this event. Exhibitors may have one person videotape them during their runs. Please do not share videos with others in your class.
